Albi Homes Launches Estate Product in Cranston

CALGARY, ALBERTA, May 26, 2009 – With ten new show homes added to their repertoire since last fall, Albi Homes – a Calgary new home builder, is proud to announce the grand opening of two new spectacular Estate show homes in Cranston Estates on May 30 & 31, 2009.

The show home models which boast Albi's many exquisite and intricate details include the Messina and the Barrington 2. The Messina, built in a tudor elevation, is a 2910 sq. ft. non-traditional bungalow featuring a main floor master bedroom with ensuite and secondary bedrooms on the upper floor loft. Unique in itself, this home is ideal for entertaining as the kitchen is outfitted with two islands – one for food preparation and the other for entertaining, and a convenient Butler's pantry.

At 2752 sq. ft., the Barrington 2 is the ideal two-storey family home and is crafted from Albi's original top-selling Barrington model. The open concept design with spacious kitchen and exceptional dining and great room create a stately welcome upon entrance into this remarkable home. The master bedroom with luxurious ensuite, two secondary bedrooms and bonus room make up the top floor and offer functional living space.

"Cranston Estates is a fabulous family-oriented community and we're excited to be presenting a diverse offering in the estate and ridge product," commented Jason Mauro, Director of Research and Business Development. "We have combined all of our top models to create a spectacular offering and it is exactly what we pride ourselves on."

Both show homes have been Built Green registered and offer energy-saving features. They can be viewed at 273 & 277 Cranarch Circle SE. Show home hours are Monday to Thursday from 2pm to 8pm, weekends and holidays from 12pm to 5pm.

Founded in 1982 by Tom Mauro, Albi Homes Ltd. triumphantly celebrated their 25th anniversary in October 2007. Albi currently builds in seven communities throughout Calgary including Aspen Hills, Auburn Bay, Cranston Exclusives, Cranston Estates, Estates of Elgin Village in McKenzie Towne, Tuscany Hillside Estates and Copperfield.
